In our Miss Kelly Classes, your preschooler will engage in fun, character building classes that will not only help develop their gross motor skills but will also teach them how to take turns and follow directions. These short courses allow your preschooler to meet and socialize with children their own age from their own community while getting them familiar with listening to a “teacher.” These classes are also a great opportunity for parents to socialize too!

“YOU SNOOZE, YOU LOSE! Nothing kills a good program more quickly than waiting until the last minute to register. At some point a decision must be made on whether to cancel the program due to lack of enrollment. Registering at the last minute may mean the program has already been canceled. Please, register early!”

Photo Policy—By registering you/your child you give permission for photos to be taken that may be used by the township or invited media. If you do not wish you/your child to be included in such photographs, you must submit this request in writing with your registration.
